Pub Night: Barn Dance

Yee-Haw! Thank you to Judy for sponsoring By Request to perform at our Barn Dance. They had a blast performing for all of our "Recycled Teenagers" who got up and stomped their boots to the rhythm all night long! A big thank you to the residents for always making our pub nights a huge success, and thanks to Cheryl our Activities Director for all of the hard work and planning that goes on behind the scenes to make events like this go so smooth. Lastly, Congratulations to Betty-Anne who won our costume contest. The prize was a Bird House! All residents who dressed up had their names written down and one winner was chosen at random!

Resi-Dog Spotlight

Tucker is one of our very friendly resi-dogs, who lives at RiverBend with his mom Donna. He is a senior Shih Tzu Bichon and now enjoys spending his retired days lounging around the house, napping, and greeting all of the friendly faces he sees in the halls here at RiverBend. Tucker was first introduced to the Clapper family on his mom's birthday. In July, 1994 Donna received a birthday card from her husband with a picture of Tucker inside saying "Hi, Mom!" and shortly after that Tucker was family. Tucker was eight weeks old when he joined the Clapper residence in August 1994, and throughout his younger years would have been described as energetic and friendly. Tucker enjoys one of his favorite past times, playing catch but also loves snacking on one of his favorite treats, a Beggin' Strip. If you see Tucker in the hall, don't be shy to say hello! He loves greeting humans and doesn't mind stopping to sniff the other dogs as well.

Mind. Body. Spirit.
