

IMPORTANT INFORMATION FOR ALL RESIDENTS

WE ARE IMPLEMENTING MEASURES IN OUR BUILDING TO TRY AND KEEP RESIDENTS AS SAFE AS WE CAN

All visitors should sign in when they enter RiverBend. There is a table set up and a sign in book.

If anyone you know has any symptoms please do not let them enter the building.

Any ground floor residents who have patios should encourage their guests to enter/exit through the patio door and to not be in the main areas of the building.

We are discouraging group activities at this time.

- Morning and Afternoon Tea Time has been cancelled until further notice
- Yoga and Tai Chi has been cancelled until further notice
- All activities that have someone from outside of the building instructing have been cancelled

Sit and Be Fit as well as Stretching will continue in the Activity Room as scheduled.

When using the fitness room please take the time to sanitize the equipment that you used. For further safety measures you should sanitize BEFORE you use any equipment including hand weights.

Every resident must take it upon themselves to be safe and to self-quarantine if any signs of the COVID-19 appear. Please call the front desk and notify us if you have any symptoms so we are able to better assist you and keep other residents safe.

Thank you very much. RiverBend Strata Council
